

Now, the best idea in chemical dispensing is on the move!

Introducing the...

Like the EARTH SENSE® TWIN POWER™ unit, the PORTA - POWER™ Portable Chemical Dispensing Unit will fill both spray bottles and buckets from the same chemical super concentrate container, saving time and inventory costs. The convenient trigger style handle with quick release button makes filling containers easy, with accurate dispensing first time, every time. The PORTA - POWER unit also hooks onto buckets or equipment for simple, hands-free dispensing.

The PORTA-POWER can be easily carried on a janitorial service cart or utility cart, and can connect to any standard water source quickly and easily.

DISPENSER FEATURES:

- *Connects to any standard water supply*
- *Fills spray bottles or buckets easily and quickly*
- *Molded hook provides hands-free filling of mop buckets, automatic scrubbers or carpet extraction equipment*
- *Made of heavy duty ABS plastic for long life*
- *Exclusive ES-GAP eductor which conforms to plumbing regulations*
