

SURGE

Heavy Duty Liquid Drain Opener

DESCRIPTION

A drain opener that delivers high performance without the use of acid ingredients. Non-fuming, as well as safe on all plumbing fixtures, septic tanks, garbage disposals and porcelain. Pours through standing water to dissolve starches, fats, grease, hair, gums and other organic wastes.

PRODUCT FEATURES / BENEFITS

- Maximum effectiveness / Dissolves grease, dirt & other organic obstructions
- Pours through standing water / Clogged drains do not need to be emptied
- Safe to use / Will not harm plumbing fixtures, septic tanks, garbage disposals & porcelain
- Non-acid / Promotes worker safety
- Non-fuming / Versatile; can be used in any drain

DIRECTIONS FOR USE

Non-fuming, as well as safe on all plumbing fixtures, septic tanks, garbage disposals and porcelain. Pours through standing water to dissolve starches, fats, grease, hair, gums and other organic wastes.

Open carefully. Slowly pour directly into drain opening. Avoid all splashing. If spilled, clean up immediately. Keep off aluminum and floors.

FOR CLOGGED DRAINS: No need to remove standing water. Use 1/2 bottle and allow to work for 30 minutes. If necessary, repeat operation and allow to work for 1 hour. Flush with warm water.

FOR SLOW DRAINS: Use 1/4 bottle twice, at 15 minute intervals. Flush with warm water.

FOR PREVENTING FUTURE PROBLEMS: Use 1/4 bottle weekly. Allow to stand 30 minutes. Flush with warm water.
