New! afia™ Dispenser Floor Stand

This sturdy, easy-to-assemble dispenser stand can be used with either our Manual or Touch Free afia™ Hand Soap Dispenser products. The stand offers a heavyweight base and aluminum pole assembly for support; molded faceplate allows you to quickly and easily mount the dispenser. Entire assembly can be done in minutes. Comes standard with all assembly hardware, and includes a drip tray.

Color Black
 Height 54"
 Weight 24.3 lbs.
 Base 14" Diameter, Heavy Weight
 Pole 3 Piece Black Aluminum
 All Assembly Hardware Included
 Drip Tray Included

- Attractive / Looks great in all environments.
- Versatile / Can be used with afia™ Manual or Touch Free dispensers.
- Sturdy, Durable Construction / Base is constructed of heavy steel with a molded plastic cover and a molded plastic footing that eliminates rusting or staining of floor surface.
- Assembles in minutes / Easy screw together components, includes all assembly hardware.
- Drip Tray Included / Eliminates drips onto the dispenser stand as well as the floor surface.

Product #4227
