

ALL-OFF™

Mechanics Hand Soap

DESCRIPTION

A concentrated liquid heavy duty skin cleaner for removing dirt, grease, grime, and most other soils from the hands and body. Contains a blend of synergistic anionic detergents, nonionic detergents, emulsifiers, essential oils, emollients, glycerine and skin conditioners that rapidly remove grease and grime without harm to the skin.

PRODUCT FEATURES / BENEFITS

- Emulsifier, fortified formula / Gives safe rapid grease removal
- pH balanced and controlled / Non irritating effective hand cleaning
- Contains no solvents or abrasives / No solvent odors or irritation to the skin
- Viscous and non-corrosive / Works in all types of dispensers without damage to metals or chrome plated surfaces
- Concentrated / Provides fastest economical removal of grease and grime from the skin

DIRECTIONS FOR USE

Revolutionary new type of liquid concentrated skin cleaner. Instantly emulsifies and dissolves grease, dirt, and grime.

Rapid cleaning action without harsh solvents, caustics, or abrasives. Mild, easy to use, nonirritating, with excellent rich lather even in hardest water conditions. Contains emollients to protect skin. Leaves hands comfortably soft and smooth.

Wet hands and add a small amount of soap. Work into a lather, adding small amounts of water as required, pay particular attention to knuckles and creases where grime collects. Rinse with water and thoroughly dry hands with a clean towel or hot air.

SPECIFICATIONS

Type	Viscous Liquid	Chelate Stabilizers	Yes
